Vision

Our Ministry

The vision for our Student Ministries is the same vision we have as a church: to see the Gospel embraced and passed on for generations of Kingdom impact.

Our Parents

Parents are the primary disciplers of their kids (Deuteronomy 6:6-9). We want parents to feel championed by our ministry and supported by their church to love and guide their kids with wisdom and godliness.

Our Students

We have five distinct hopes for students:

- Believe the Gospel every day.
- Become a baptized member of Peace.
- Take your role in your family seriously.
- Get friends that remind you of Jesus.
- Learn and follow the Bible.

Rom 5:1-2; 1 Cor 12:27; 1 Tim 5:8;
1 Thess 5:11; Lk 11:28

Policies

Disciplinary Process

1. Ask 2. Tell 3. Take

If we get to step 3, a call home will be made.

Dress Code

Fully cover your stomach, chest, and butt (standing or sitting).

Cell Phone Policy

For trips, no student phones are permitted. For youth group, student phones are not permitted during programming unless requested. Leaders have their phones available to students for any communication needs. If seen, student phones will be confiscated for the rest of the event.

Gender Policy

Scripture teaches that God created humanity in the image of God as male or female. When programming splits into groups based on gender, participants are to join the group that correlates with their biological sex; this also applies to bathrooms and lodging.

Teaching

These are some of the teaching topic series we will be discussing this year on Sunday nights.
